The Secretary

Peter Kostmayer, Regional Administrator
Environmental Protection Agency
841 Chestnut Building
Philadelphia, PA 19107

Dear Mr. Kostmayer:

Enclosed are five copies of a proposed revision to the Philadelphia portion of the Pennsylvania State Implementation Plan (SIP) pertaining to the implementation of federal requirements for photochemical assessment monitoring stations (PAMS). The Commonwealth and the City of Philadelphia will implement a PAMS program as required by 40 CFR, Part 58, as amended February 12, 1993.

The proposed Philadelphia portion of the SIP revision was the subject of a public hearing on August 9, 1994, before the City's Air Pollution Board. Notice of the public hearing was published in the City's two major newspapers on July 8, 1994. No written or oral comments were received on the proposed SIP revision during the public comment period.

I request that the Environmental Protection Agency review and approve this State Implementation Plan revision. Should you have any questions, please contact Robert T. Ostrowski, Program Director, Air Management Services at 215-685-7584.

Sincerely,

Arthur A. Davis
Secretary
Department of Environmental Resources

Dear Mr. Kostmayer:

Enclosed are five copies of a proposed revision to the Pennsylvania Implementation Plan (SIP) for ambient air monitoring and copies of the Photochemical Assessment Monitoring Stations (PAMS) Plan as supporting information. The Commonwealth will implement a program of photochemical assessment monitoring stations (PAMS) as required by 40 CFR, Part 58, as amended February 12, 1993.

The proposed State Implementation Plan revision was subject of a public hearing on August 1, 1994, in the Conshohocken Regional Office, Department of Environmental Resources. Notice of the public hearing was published in the Philadelphia Inquirer on June 17, 1994, and the Pennsylvania Bulletin on June 18, 1994.

I request that the Environmental Protection Agency review and approve this State Implementation Plan revision plan. Should you have any questions, please contact Ben Brodovicz, Division Chief, Bureau of Air Quality Control at 717-783-9477.

Sincerely,

Arthur A. Davis
Secretary
